## MESSAGE TO SCHOOL PRINCIPALS/TEACHER LIBRARIANS CONCERNING ANZAC EDUCATION MODULES

The ANZAC Day Commemoration Committee of Queensland (ADCC) spends 50% of its annual budget on promoting the Spirit of ANZAC to Queensland school children by making available specially written books, teaching and learning packages, interactive CD-ROMs, access to a website containing education modules and the maintenance and delivery to schools of *Queensland Remembers Kits*.

ADCC *Queensland Remembers Kits* are available to be delivered to schools on a loan basis. The content of kits varies depending on the location of the school. Kits are designated as Metropolitan or Country Kits.

Schools are encouraged to visit the ADCC website [www.anzacday.org.au](http://www.anzacday.org.au) and select **School Orders and Information** from the homepage for content information and booking form.

The number of kits is limited and schools wishing to order them should do so early to avoid disappointment. **Please note that a delivery fee of \$80 per kit applies.**

If you require any further information, please contact our office by phone –
