

Commemorating ANZAC

The ANZAC Day Commemoration Committee of Queensland is a not for profit organisation; it is not Government-funded. In recent years a range of ANZAC tokens—including the very popular ANZAC WW1 Series of \$5 metal badges—has been offered for sale to provide revenue for veteran welfare, to assist fundraising for the restoration and/or construction of war memorials and to enable the Committee to produce quality ANZAC educational material for Australian teachers and students.

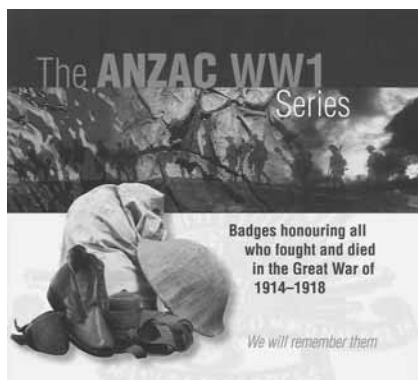

In 2005, an Anniversary medallion has been produced to commemorate the 90th Anniversary of the landing at Gallipoli and the 60th Anniversary of the end of World War 2.
